PREACHIN' PETE -----

One of the most common questions I get asked, from both inside and outside of Flemingsburg, is "How do you like Flemingsburg?"

If I'm honest there are still things I miss, having moved from Southern California. A local movie theater that shows documentaries. Different places to go out to eat. A store that carries humor. But in the grand scheme of things, this is all pretty petty stuff.

What I do like is the community. I am surprised at how often I am surprised by the way people see and meet the needs of others.

Sarah's best friend had a baby last week. She just graduated from grad school and is living in the Los Angeles area, saving money to start a Christian School in Honduras. In talking with Sarah, she shared how tough the first couple days home from the hospital had been (as I nodded my head in agreement). It occurred to me that they may not yet have had a single visitor.

I ended up calling a church friend from Pasadena and seeing if a casserole or two could be delivered, and of course, it was no problem at all. But I couldn't help thinking how that call would not be needed here. In a community your neighbors, family, and friends can see your needs and react, without a cross-country phone call.

I am reminded of the first followers of Christ who gave all they had so no one among them lacked anything (Acts 4:34). That is community. I pray we at Flemingsburg Christian Church can continue to foster authentic genuine community for our fellowship and the people around us. Because I like being around that a lot.

Pete

NOTE OF THANKS RECEIVED:

Just a note of thanks to all who helped with the Fleming Co. Habitat for Humanity Song Fest on March 20th, 2009.

A big thanks goes out to the Ewing Christian Church for hosting the event. Rev Larry Ingram made sure that we had all the equipment that we needed and he and his congregation were very gracious hosts. Even to the point of having to bring several extra chairs from the basement.

Of course the music was absolutely awesome! These people shared some of the best gospel music that I have ever enjoyed. Believe it or not, this was the first time that that many of us, ever heard such a variety of musicians in one program. There were singers from preschool children towell let's just say grandparents. They accompanied themselves with cd's, the piano, guitars, bell chimes, drums, and even a banjo. We were truly blessed with an abundance of talent.

A big thanks to our Master of Ceremonies, Bill Perkins, and also to Rev Ben Cain, for explaining the basics of Habitat for Humanity, plus giving some Fleming County Habitat history. There is not enough space to thank everyone for all they did, but know that your effort was appreciated. Our thanks to everyone that contributed to the success of the evening in any way. Whether you shared your talent during the song fest, or you were one of many that took time out of your busy week to attend, gave to Habitat so generously that evening, or one of many who prayed that the song fest would go well; Fleming County Habitat thanks you from the bottom of our hearts.

We certainly feel that the event was a success, from the fact that many people were spiritually uplifted that night, and also due to the generous giving of so many people, \$1203.00 was raised to help with the building of the next Habitat house in Fleming County. The next house will be located on the east end of Ewing's main street, on a lot that was donated to Fleming Co Habitat by Wally & Tammy Thomas, of Ewing. Construction on the house is scheduled to start sometime in April. Our partner family, Jerry and Jo Ann Saunders, with their daughter, Trina will move into the house upon completion.

Continue to keep us in your prayers. Thanks again to everyone!

Dear Friends:

I want to thank you for your generous contribution – especially appreciated in this challenging economy. Thanks to caring donors like you, Church World Service can provided food, water and other necessities to families displaced by war or natural disasters. And with your help, we can also assist impoverished communities as they work to improve their farming techniques, develop reliable water sources, and build a more sustainable future.

While these are sobering days, I remain hopeful because of the creative, resilient men and women we assist around the world, and because of caring people like you, who empower us to act on your behalf in our wounded world. May God bless you for your compassionate support.

Faithfully yours,

Rev. John L. McCullough, Executive Director and CEO

OUR CHURCH WAS REPRESENTED by Sandy Collins, Carrie Jean Ginn, Wanda Jo McKee, Helen Thomas, Kathy Voiers, & Amanda Yazell at the Spring Conference held in Lexington, KY on April 18th, 2009. *We certainly do appreciate their willingness to attend these important meetings!*

A REMINDER FROM THE PROPERTY COMMITTEE: It has been a long time policy that "No Food or Drinks are allowed in the Sanctuary." Because of our appreciation, respect, and admiration of the Sanctuary, "*God's House*," let's remember this policy & encourage everyone to keep on practicing it!

THE LIVING CHRIST continues to make life meaningful

ELEMENTARY WISDOM: A Sunday School teacher was discussing the Ten Commandments with her 5 & 6 year olds. After explaining the commandment to "honor thy father and thy mother," she asked, "Is there a commandment that teaches us how to treat our brothers and sisters?" Without missing a beat, one little boy answered, "Thou shalt not kill."

ACTUAL CHURCH SIGN: "NO GOD ----- NO PEACE.
KNOW GOD ----- KNOW PEACE."

SPRING CONTINUES TO BE: God thinking in gold;
God laughing in blue;
and God speaking in green!

SOMETHING TO REMEMBER: "When you pray, don't give orders! Just "check-in" for willing and active duty!"

ACTUAL CHURCH SIGNS that have been seen:

Trespassers will be baptized.

THINGS YOU NEVER HEAR in CHURCH

1. Hey! It's my turn to sit in the front pew.
2. I was so enthralled; I never noticed your sermon went 25 minutes over time.
3. Personally I find witnessing much more enjoyable than golf.
4. I've decided to give our church the \$500 a month I used to send to TV evangelists.
5. I volunteer to be the permanent teacher for the Junior High Sunday School class.
6. Forget the denominational minimum salary; let's pay our pastor so he can live like we do.
7. I love it when we sing hymns I've never heard before!
8. Since we're all here, let's start the service early.
9. Pastor, we'd like to send you this Bible seminar in the Bahamas.
10. Nothing inspires me and strengthens my commitment like our annual stewardship campaign!

SOMETHING TO REMEMBER & THINK ABOUT: "Beware of those who toot their own horns! Their batteries run down very quickly!" (Interesting, huh???)

LET'S ALWAYS REMEMBER OUR MISSION STATEMENT for the Flemingsburg Christian Church: "Our mission is: to celebrate our heritage, identity, and values as a growing Christian fellowship where people of all ages may find support, acceptance, love, nurture, challenge, and spiritual growth. As a living and vital church we provide opportunities and a place for worship, fellowship, learning, and reaching out to others locally and world-wide in the name of Jesus Christ. In living out our mission, we seek to foster a spirit of unity with all Christians."

GOD IS NOT PERMISSIVE. If He were we would have the ten suggestions!

EASTERTIDE IS THE RELIGIOUS SEASON we are now in! It lasts from April 8th through May 26th, 2007. The church color used during Eastertide is WHITE, symbolizing the purity, and the victory of Jesus Christ. He LIVES, even today! Will you attend church EVERY Sunday in Eastertide?

EASTER IS A SPIRIT THAT MUST LAST more than a service, a day, or a season! It is a way of life that enables us to make the best of every moment as we experience the presence of the Living Christ! The Easter Password continues to be: "Christ Arose! He is Risen Indeed!"

STOP! LOOK! LISTEN! God is still alive, and well, and in control! You might find God today as you look at God's world! You might find God as you do good deeds for other people!
